Report on Relations

The Board of Directors of BRAWA, a.s. (hereinafter the “Company” or “BRAWA”) has drawn up, in accordance with Section 82 of Act No. 90/2012 Coll., the Business Corporations Act (hereinafter “BCA”), the following Report on Relations covering the relations among the Company and controlling entities and among the Company and other entities controlled by the same controlling entities (hereinafter “Related Parties”) during the year ended 30 November 2018 in all cases where the Company is aware of the existence of such Related Parties. This Report on Relations forms an integral part of the Company’s Annual Report for the year ended 30 November 2018, and is provided to the shareholder of the Company for its review within the same period of time and under the same conditions as the Financial Statements.

1. Controlling entities

In the year ended 30 November 2018 the Company was controlled:

a) directly by

NET4GAS, s.r.o., with its registered office at Na Hřebenech II 1718/8, Nusle, Prague 4, 140 21, Czech Republic, ID No. 272 60 364, registered in the Commercial Register maintained by the Municipal Court in Prague, Section C, File No. 108316 (hereinafter “NET4GAS”);

b) indirectly by

- NET4GAS Holdings, s.r.o., with its registered office at Na hřebenech II 1718/8, Nusle, Prague 4, 140 00, Czech Republic, ID No. 291 35 001, registered in the Commercial Register maintained by the Municipal Court in Prague, Section C, File No. 202655 (hereinafter “NET4GAS Holdings”), as the sole shareholder of NET4GAS;
- (i) Allianz Infrastructure Czech HoldCo II S.à r.l., with its registered office at L-2450 Luxembourg, 14, boulevard F.D. Roosevelt, Grand Duchy of Luxembourg, registration number: B 175770, and (ii) Borealis Novus Parent B.V., with its registered office at 1011PZ Amsterdam, Muiderstraat 9, Kingdom of the Netherlands, registration number: 57412243, each of which is a member of NET4GAS Holdings with an ownership interest of 50%, and which together have the status of joint controlling entities in relation to NET4GAS Holdings by virtue of Section 75(3) of the BCA.

2. Other Related Parties

The Company requested that the above controlling entities provide a list of any other entities controlled by the same controlling entities during the most recent accounting period, and the Board of Directors of the Company has drawn up the present Report on Relations on the basis of the information provided by these controlling entities and the other information at its disposal.

The relevant structure of the relations among the controlling entities and the controlled entity and other Related Parties is set out in Annex No. 1 to this Report on Relations.

3. Role of the controlled entity, method and means of control

The Company is the owner of assets used by the controlling entity (NET4GAS) in its business activities on the basis of the lease of such assets from the Company.

The Company is controlled by NET4GAS, where this relationship of control is based primarily on the fact that NET4GAS is the sole shareholder in the Company and appoints the members of the Company’s Board of Directors and Supervisory Board.

4. Valid agreements between the Company and controlling entities or other Related Parties

The agreements concluded between the Company and controlling entities or other Related Parties during the most recent accounting period are listed in Annex No. 2 to this Report on Relations. Agreements concluded in preceding accounting periods which were in effect during the most recent accounting period form Annex No. 3 to this Report on Relations.

5. Acts performed in the most recent accounting period at the instigation or in the interest of controlling entities or Related Parties

In the most recent accounting period, the Company, in addition to concluding agreements as specified in Article 4 of this Report on Relations, also performed acts at the instigation or in the interest of controlling entities or Related Parties as specified in Annex No. 4 to this Report on Relations.

6. No damage

In the most recent accounting period, the Company incurred no damage as a result of agreements with controlling entities or Related Parties, or as a consequence of other acts or actions performed in the interest or at the instigation of the same, which were concluded or undertaken during the most recent accounting period or in any preceding accounting period. It has therefore not been necessary to secure compensation for damage or to conclude any agreements on such compensation.

7. Advantages and disadvantages resulting from relations with Related Parties

In the most recent accounting period, the relations among the controlling entities and Related Parties were an advantage for the Company in terms of the increased financial stability which they ensured.

In the most recent accounting period, the Company had an agreement in place with the controlling entity, NET4GAS, for the provision of services in the following areas: GAZELLE project supervision, construction and assembly work within the construction, accounting, controlling, tax issues, payroll administration, cash-flow, risk management, insurance, facility management, purchasing and logistics, corporate affairs and network documentation. This cooperation benefits the Company by allowing the streamlining of its internal processes.

8. Confidentiality

None of the information contained in this Report on Relations constitutes a trade secret of the Company.

9. Conclusion

This Report on Relations was verified by the Company's auditor, who is responsible for verifying the financial statements in accordance with specific legislation, approved by the Company's Board of Directors on 17 December 2018, and was submitted for review to the Supervisory Board.

("the Company") was incorporated in the Commercial Register held by the Municipal Court in Prague, Section B, Insert 16622, on 10 November 2010 and has its registered office in Prague - Nusle, Na Hřebenec II 1718/8. The Company's primary business activities registered in the Commercial Register are the lease of real estate, flats and commercial premises. The Company is the owner of the line sections of the GAZELLE gas pipeline, which it leases to the transmission system operator NET4GAS, s.r.o. The identification number of the Company is 247 57 926.

The Company has updated its Articles of Association that are now fully governed by the new Corporations Act. This fact became effective as at 11 June 2014.

The Company is not a shareholder having unlimited liability in any undertaking.

2. Accounting policies

2.1. Basis of preparation

The financial statements have been prepared in accordance with Generally Accepted Accounting Principles in the Czech Republic for medium-sized entities and have been prepared under the historical cost convention.

2.2. Comparative figures

Based on the amendment to the Act on Accounting and implementing Decree effective from 1 January 2016, individual items of the balance sheet and profit and loss account are presented in a different structure.

In order to ensure the comparability of items presented in the financial statements with the prior period, the balance sheet and profit and loss account items for the year ended 30 November 2016 were reclassified in accordance with Czech accounting standard for businesses no. 24: "The comparative figures for the accounting period beginning in 2016".

2.3. Intangible fixed assets

All intangible assets with a useful life greater than one year and a unit cost of more than CZK 60 thousand are treated as intangible fixed assets.

Purchased intangible fixed assets are initially recorded at cost, which includes all costs related with its acquisition. All research costs are expensed.

Intangible fixed assets are amortised applying the straight-line method over their estimated useful lives as follows (unless the agreement or license conditions state a shorter or longer period):

<u>Intangible fixed assets</u>	<u>Estimated useful life</u>
Research & development	3 years

The amortisation plan is updated during the useful life of the intangible fixed assets based on the expected useful life.

A provision for impairment is created when the carrying value of an asset is greater than its estimated recoverable amount. The estimated recoverable amount is determined based on expected future cash flows generated by the given asset.

BRAWA, a.s.

Notes to the financial statements
for the year ended 30 November 2018

Technical improvements on intangible fixed assets exceeding CZK 10 thousand per individual end-to-end action on one intangible fixed asset are capitalised.

2.4. Tangible fixed assets

All tangible assets with a useful life greater than one year and a unit cost of more than CZK 10 thousand are treated as tangible fixed assets.

Acquired tangible fixed assets are initially recorded at cost, which includes all costs related with its acquisition. Own work capitalised is recorded at cost.

Tangible fixed assets, except for land which is not depreciated, are depreciated over their estimated useful lives as follows:

Tangible fixed assets	Estimated useful life
Buildings and constructions	30-70 years

The depreciation plan is updated during the useful life of the tangible fixed assets based on the expected useful life.

A provision for impairment is established when the carrying value of an asset is greater than its estimated recoverable amount. The estimated recoverable amount is determined based on expected future cash flows generated by the given asset.

Repairs and maintenance expenditures related to the pipeline are incurred by the lessee. Technical improvements on tangible fixed assets exceeding CZK 40 thousand per year are capitalised.

2.5. Receivables

Receivables are stated at nominal value less a provision for doubtful amounts. A provision for doubtful amounts is created on the basis of an ageing analysis and individual evaluation of the credit worthiness of the customers. Receivables from related parties have not been provided for.

2.6. Foreign currency translation

Transactions denominated in foreign currencies are translated and recorded at the fixed exchange rate determined by the Company as at the first day of the month.

Cash, receivables and liabilities balances denominated in foreign currencies have been translated at the exchange rate published by the Czech National Bank as at the balance sheet date. All exchange gains and losses on cash, receivables and payables are recorded in the profit and loss account.

The Company treats advances paid for the acquisition of fixed assets or inventories as receivables and therefore these assets are translated at the exchange rate published by the Czech National Bank as at the balance sheet date.

Balances of accrued expenses and accrued income denominated in foreign currencies have been translated at the exchange rate published by the Czech National Bank as at the balance sheet date.

2.7. Changes of accounting policies and corrections of prior period errors

Changes to accounting policies (inclusive of deferred tax impact) and corrections of errors arising from incorrect accounting or unrecorded expenses and income in prior periods, if material, are recorded in the financial statements line Restatements of retained earnings.

BRAWA, a.s.

Notes to the financial statements
for the year ended 30 November 2018

2.8. Provisions

Provisions are recognised when the Company has a present obligation, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount can be made.

The Company recognises a provision for its future income tax payable, which is presented net of advances paid for the income tax. If advances paid are higher than the estimated income tax payable the difference is recognised as a short-term receivable.

2.9. Revenue recognition

Sales are recognised as at the date the services are rendered and are stated net of discounts and value added tax.

2.10. Related parties

The Company's related parties are considered to be the following:

- parties, which directly or indirectly control the Company, their subsidiaries and associates;
- parties, which have directly or indirectly significant influence on the Company;
- members of the Company's or parent company's statutory and supervisory boards and management and parties close to such members, including entities in which they have a controlling or significant influence.

Material transactions and outstanding balances with related parties are disclosed in Note 9.

2.11. Deferred tax

Deferred tax is recognised on all temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. Deferred tax asset is recognised if it is probable that sufficient future taxable profit will be available against which the asset can be utilised.

2.12. Cash-flow statement

The Company has prepared a Cash flow statement using the indirect method. Cash equivalents represent short-term liquid investments, which are readily convertible for a known amount of cash.

The Company uses cash-pooling within the group. A receivable (payable) that arises from cash-pooling is presented in the Cash-flow statement as part of the item Cash and Cash equivalents. If the payable arising from cash-pooling represents a form of financing, it is not presented in the Cash-flow statement as part of Cash and cash equivalents.

2.13. Subsequent events

The effects of events which occurred between the balance sheet date and the date of preparation of the financial statements are recognised in the financial statements in the case that these events provide further evidence of conditions that existed as at the balance sheet date.

Where significant events occur subsequent to the balance sheet date but prior to the preparation of the financial statements, which are indicative of conditions that arose subsequent to the balance sheet date, the effects of these events are disclosed, but are not themselves recognised in the financial statements.

Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT To the Shareholder of BRAWA a.s.

Having its registered office at: Na Hřebenech II 1718/8 Nusle, 140 21 Praha

Opinion

We have audited the accompanying financial statements of BRAWA a.s. (hereinafter also the "Company") prepared on the basis of accounting regulations applicable in the Czech Republic, which comprise the balance sheet as of 30 November 2018, and the profit and loss account, statement of changes in equity and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of BRAWA a.s. as of 30 November 2018, and of its financial performance and its cash flows for the year then ended in accordance with accounting regulations applicable in the Czech Republic.

Basis for Opinion

We conducted our audit in accordance with the Act on Auditors and Auditing Standards of the Chamber of Auditors of the Czech Republic, which are International Standards on Auditing (ISAs), as amended by the related application guidelines. Our responsibilities under this law and regulation are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Act on Auditors and the Code of Ethics adopted by the Chamber of Auditors of the Czech Republic and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information in the Annual Report

In compliance with Section 2(b) of the Act on Auditors, the other information comprises the information included in the Annual Report other than the financial statements and auditor's report thereon. The Board of Directors is responsible for the other information.

Our opinion on the financial statements does not cover the other information. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. In addition, we assess whether the other information has been prepared, in all material respects, in accordance with applicable law or regulation, in particular, whether the other information complies with law or regulation in terms of formal requirements and procedure for preparing the other information in the context of materiality, i.e. whether any non-compliance with these requirements could influence judgments made on the basis of the other information.

Based on the procedures performed, to the extent we are able to assess it, we report that:

- The other information describing the facts that are also presented in the financial statements is, in all material respects, consistent with the financial statements; and
- The other information is prepared in compliance with applicable law or regulation.

In addition, our responsibility is to report, based on the knowledge and understanding of the Company obtained in the audit, on whether the other information contains any material misstatement of fact. Based on the procedures we have performed on the other information obtained, we have not identified any material misstatement of fact.

Responsibilities of the Company's Board of Directors and Supervisory Board for the Financial Statements

The Board of Directors is responsible for the preparation and fair presentation of the financial statements in accordance with accounting regulations applicable in the Czech Republic and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Supervisory Board is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the above law or regulation, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors and the Supervisory Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
